

Apple Tree Song

Hold a tiny apple seed	In your hand
Held inside that tiny seed	In your hand
A great big beautiful apple tree	In your hand
Packed inside that tiny seed	In your hand

Plant a tiny apple seed	Grow and Grow
Plenty water, good soil and sun	Grow and Grow
One day apples for everyone	Grow and Grow
After the seasons 'round the sun	Grow and Grow

Apple tree story
Apple tree song
Growing slowly, nimble and strong
Thank you butterflies, birds and bees
May I have an apple please?
Yum
