

Heart of the Matter

3/2010

(chorus)

Keep your head in the heart of the matter

Keep an open mind

Keep your chin up

Stay on your toes

Follow your heart

Follow your nose

Keep your head in the heart of the matter

Keep your eyes open wide

Get it together

Know what is real

Know what you love

Know what you feel inside

It's not about what you've got, but what you've got to give

The gift of life is in the giving

It's not about the way you look, but the way you look at things

Beauty always comes from the inside out (chorus)

It's not about what you do, but what you do it for

You can make your life your message

It's not about where you've been, but where you're coming from

The choice is only ever yours to make (chorus)
