

Keep Yourself Open

(Chorus)

Open the window Open the door
Open the way To open up more
Open your heart Open your eyes
Reach for the sun And open up the skies
Reach for the sun And open up the skies
Keep yourself open

Black or White
Day or Night
Slow or Fast
First or Last
a Little or a Lot
Cold or Hot
But be careful...

(Chorus)

Yes or No
Fast or Slow
North or South
East or West
Up or Down
Square or Round
But be careful
